Kimberly-Clark Professional Europe

EC Directive 89/686/EEC

EC Type-examination

Issue 1.

PPE Product

Kimberley-Clark Professional (logo) JACKSON G40, natural rubber palm coated (rough finish) knitted polyester/cotton gloves, with the uncoated area on the backs of the hands extending to the first joints of the fingers & thumbs, which are available in five nominal hand sizes: 7 (product code: 97270), 8 (97271), 9 (97272), 10 (97273) & 11 (97274).

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements in the relevant harmonized standards:
EN 388:2003 (Protective gloves against mechanical risks) for a performance classification of 2,1,4,2;
EN 407:2004 (Protective gloves against thermal risks) for class X,2,X,X,X,X.

The manufacturer's information notices (01-70-243 to 01-70-247), in English, have been inspected and found to have addressed all of the relevant requirements of the standards. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

Certification is based on technical file specification: TF4-SPEC-W1-251-NL-C (E), issue 1 with supplement

SGS Reference Number GB/PP 225356
